

DRINKING WATER PROBLEM CORRECTED

Customers of Cayetano, Inc. dba Lakewood Water Company were notified on November 26, 2019 of a problem with our drinking water and were warned not to use to water to feed infants under the age of 6 months. We are pleased to report that the problem has been corrected and the warning is no longer in effect. We apologize for any inconvenience and thank you for your patience.

As always, you may contact Jack Cullum at 520-878-7438 with any comments or questions.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly. You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Southwestern Utility Management on behalf of Lakewood Water Company. State Water System ID # AZ0410-063
